“ *"Denny, Gary, Kreig, I am so sorry for your loss. Your mom and dad meant alot to our family. Her and your dad will always be in fond memory. May you take some kind of comfort in knowing her and your dad are sitting down at the table God has prepared for them enjoying each other's company once again. Sorry I can't make it down there for the service but know our deepest condolences for you and your family. Take care of each other at this time. Always a family friend."*

“ *"We are so sorry for the loss of your dear mother, grandmother, great grandmother and our aunt. Aunt Joyce was a spunky and fun loving lady. I remember her smiling and laughing often. She loved making and sharing root beer floats with us. At Christmas time, she would send letters telling about your growing family, always with great pride in her words. She will always carry a special place in my heart because her oldest sister (and my mom Lucille) gave me the same middle name as she has. Please know that our thoughts and prayers are with you during this time. May God shower you with His peace and comfort."*

“I am so sorry to learn of Aunt Joyce's passing. I was not able to see her much in the past years but I often thought of her. I remember playing on the farm with Aunt Joyce when I was a child. I especially remember sliding down the hay stacks in the barn. I am sorry that I will not be able to attend the funeral. Please know that I will be thinking of the whole family and keeping you in my prayers.”
