“When you pour ice into a hot beverage the ice does not stand a chance to stay in existence. Our life is like the ice fragile goes fast and once dead comes there is not a chance to make things right, to love your love ones, to be kind to the people we meet. Today we lost one of our dearest friend Juan Teo our heart aches and mourns with his family he was a good person full of life and love his kids very much, he was a good friend to everyone Our pain is not because we have no hope because in Christ we hold on the promise that we will see him again but he will me greatly miss. Please pray for his kids his family through this difficult time RIP Juan Carlos Teo”
