“ *"Our condolences to all of our cousins and family in the loss of your mother. Bruce and I remember with fondness how your mom so graciously opened up her home for his family to stay at during the time of our wedding. “ *"Our sincere sympathy to the entire family. Judy was a dear, sweet person who was always so full of life. When we moved to Timberidge she was very involved in the landscaping of our garden-like setting. It was a privilege to have known her. You are in our thoughts and prayers."*
