“ *"George and I also were fortunate to meet Julia and Dave when we joined the church with them in 2007. Right from start, we could see how special they were and we admired them greatly, both as individuals and as a couple. We are so thankful for the years of friendship we had! Yesterday, the day of Julia's service, the sun shone, as it had the day of her Mom's and the day of Dave's service. For me, the sunshine and blue sky above us on those days was a reminder of the warmth and light and joy they brought to the lives of those who knew them. We miss you, Julia and Dave, and we always will."*

“*Julia and I taught together for 30 years. She always knew that "the sun will come out tomorrow" and she lived her life that way, upbeat and positive. There are so many things I could say but most important I'm so grateful to have had her for a friend and I will cherish her memory.*”

“Julia was a dear friend, and I treasure many memories of her, including my last two visits. She was always gracious, loving, and positive. She had a beautiful smile, even the last time I saw her. I am sure she was a wonderful teacher! She and I supported each other when we lost our husbands around the same time. Julia had a strong faith. I admired her very much. Julia Colingsworth”
