

Julie Genzink

August 4, 1997 - June 1, 2017

Julie Genzink, age 19 of Hamilton, passed away at Spectrum Health on June 1, 2017 due to severe head injuries. Julie graduated from Hamilton High School in 2016 and had completed one year at Grand Valley State University in hopes of receiving a degree in therapeutic recreation. While in high school, she played volleyball, golf, and tennis. She enjoyed spending time outdoors in many ways. Boating, paddle-boarding, and campfires are just a few of them. She is survived by her parents Terry & Amy Genzink; sister, Tara; grandmother, Dorothy Rigterink; and many aunts, uncles, cousins, friends, and very special neighbors. The family would like to thank all the special teachers and coaches in Julie's life and the staff of Spectrum that was so compassionate in their care. Words cannot express the family's thankfulness for the many ways the community reached out to them during this tragedy. Additionally, "Thank you" to Overisel Fire & Rescue for all they did. Gift of Life was utilized in hope that another life might be saved. Visitation is 5:00-8:00 pm, Monday, June 5, 2017 at Overisel Reformed Church, A4706 142nd Ave. Holland, MI 49423. Memorial services are 6:00 pm, Tuesday, June 6 also at Overisel Reformed Church. Burial to be in Overisel Cemetery. “I had hired Julie at Dollar General Zeeland and she was a very hard worker. I enjoyed the conversations that we had and the times we got to work together. She was always happy and the customers really liked her. Julie was a great person and this is really hard for me to accept. She will be missed by so many. As hard as this is right now on Earth she is looking down on us and watching pain free. It's hard to accept, but God had a plan for her and that's what I keep telling myself.. If only I knew on my last day with DG that would be the last time I would ever see her... Prayers to the Genzinks in this hard time. Julie is watching daily.”

“My deepest sympathies to Terry, Amy, Tara as well as other family and friends. Julie was in my kindergarten class at Sandyview Elementary. I could tell already then that she was a special person. In her quiet way she was kind and treated other children and adults with respect. Earth's loss is Heaven's gain. Julie will be missed by so many people.”

“Julie was a student of mine at GVSU this past spring. We aren't suppose to have favorites, but she was mine. She always came to class early to talk or just sit. She always hung around and always, always had a brilliant radiance---even on dirty lab days. I remember her telling me about her trip to Mexico with her sister, and the hopes she had for her future. There is no doubt that Julie's purpose is far greater than this earth. She saw the light of Heaven, and for someone so radiant, Julie must have felt so welcomed by God...and she is shining and protecting those who she loved so dearly from a divine place where she can use all her light to help all of us who are so devastated. Your daughter, your sister...I cannot fathom your heartache. I am afraid to even imagine. The grief I feel for Julie's passing has to be slight, in comparison, and I am weighted down in such profound sorrow.....my sympathy to all of your hearts.....”
