“ *"I've know June for years through AA. He helped my son Patrick Shannon by taking him to meetings and mentoring him in AA before Patrick passed away 6 years ago. Then June helped me deal with the grief of that horrible time in my life. These last few years I would drive June home from meetings. Sometimes I would take him shopping or we'd stop for coffee and talk. I learned a lot over the years about life from this wise "long timer". I will miss him greatly. He was one of the good ones in this world. Much love & Godspeed my friend. One day at a time until we meet again. Give my boy a hug for me."*
