“Me and my daughter, Mackenzie had the honor of meeting Karen on several occasions. She went out of her way to welcome me and my daughter in her home. She cooked us a beautiful breakfast and knowing we were getting a Chihuahua, she gave Mackenzie a little Chihuahua Christmas ornament. We put it on our tree every year. She also shared stories with us about the dogs she had in the past. I will always cherish the time I spent with her and am honored to have met her. God Bless all of you.”

“My grandma has given me MANY memories. Its hard to share just one. The love she had for me and my children was just amazing. She was such a BEAUTIFUL person inside and out. She had a one of a kind sense of humor. My grandma Karen had so much love for ALL her grandchildren and great grandchildren. The last day i seen her before she went into the hospital was the morning of. She was always "sad" when i would leave with my babies because she enjoyed them so much always kept a smile on her face. I remember hugging her Extra tight that morning and telling her i loved her. I never imagined it would be so soon god would call her home. I love you grandma you are now one of the most BEAUTIFUL ANGELS in heaven. Rest easy....”
