“ What a spectacular woman. I know Karen and Sarah from their involvement at the Great Lakes Expo. That Mother-Daughter Team inspires everyone in their presence. There is a saying "Leave a trail of genius when you depart". Certainly Karen has done so. She will remain indelibly etched in our hearts. Sincerely Bobbi Ecker-Blatchford”

“I've known Karen since high school. She was full of energy, fun, warm, generous, and thoughtful. We became friends when I moved into Holland. I was a freshman at West Ottawa and didn't know anyone. She was kind and included me and I never forgot her kindness. We've stayed in touch over the years. Condolences to her family. Shout out to Pam who tolerated us as we sang Diana Ross songs into pretend microphones. You will be missed Karen.”

“Sarah and family: I too am sorry for your loss. As you know, I have been a friend of Karen's since high school. She had a heart of gold, was caring and compassionate, and had a great sense of humor. She will never be forgotten; but she now is in Heaven with Jesus. Until we see her again, you and your family will be in my thoughts and prayers....”

“Sarah and family, I am so sorry for your loss! I was shocked to learn of your Mom's passing, We went to High School together and she used to come into Remember When Café when I worked there, I had no idea she was sick when I saw you in January. She was such a fun loving person and had the prettiest smile. She will be deeply missed. Again, I am so sorry for your loss.”

“Karen and I went to High School together. My favorite memory of Karen was when her and I went streaking through the girls locker room running around several times and laughing like crazy, all the other girls were out on the gym floor doing jumping jacks! What a hoot!!!! Worked with Karen when my daughter needed an awning on our new store (Newb's now Urban Found) downtown Holland. She sent us the most beautiful flowers. I'm going to miss you my friend!!!! I know Heaven just got another Beautiful Angel, enjoy eternity with our Heaven Father.”

“So sorry to hear of the passing of Karen. Karen was a wonderful person, perfect personality and "tons" of fun to be around. Even though we haven't seen each other a lot since high school I will miss knowing she isn't physically around for anyone in the class of '71.”
