“ I met Karen decades ago-when we worked second shift together. She was kind, funny, and became one of my greatest friends and really became family. She did my hair and makeup for my wedding. She supported and nurtured me and my husband. She was a dear friend to my whole family and will be so missed. We love her so much.

Karen worked with me a few years. I loved her humor and passion to be everyone's friend. She was an honest helpful friend. This world needs many more like her. I will miss her.
