“ I remember growing up with Kathy at Ebenezer Church. It was a wonderful day when her family joined Ebenezer as a young family. We would have so many activities in Youth Group together. Kathy was always cheerful, with a warm and welcoming smile often accompanied with gentle laughter. She was eager to be apart of any activity to be of help in any way. How happy everyone was when Kathy and Keith started dating. Then joy as she married the love of her life, Keith.

Our heartfelt sympathies to her family. She will truly be greatly missed by those who loved and knew her. Keeping you in our prayers

I grew up with Kathy south of Holland and road the bus to Hamilton schools with her. She lived one road over from me in what we called VanOssville, as her cousins and grandma Van Oss had homes next to each other. We lost track of each other for years and then connected at Spectrum Health Zeeland when she would come to audit and check on the coders. It was so good to see her smiles and share memories. She will be missed greatly. Sending our condolences and prayers in this very difficult time as you once again mourn a parents passing. Praying the legacy of both mom and dad live on in each of you and those whose lives they touched.
