“ Dear Calkins family. I am so sorry to hear of the passing of Kay. We worked together years ago at the Community Hospital in Douglas - she in the x-ray department and I was in the front office. We shared many lunch hours together. After the hospital closed in 1985, she was the x-ray technician at Holland Hospital and she took my x-rays there on several occasions. Kay was always so bubbly and we enjoyed many conversations together. Please know that you are in my thoughts and prayers now and in the days to come.

Sincerely

Judy Grams 🥹🙏❤️
