*Dear Kathy and family, Please accept our heart felt sympathies in the passing of your beloved husband, father, and grandfather Keith. I remember when everyone first started talking how Keith and you where dating. What news when it was announced you were getting married! How beautifully your family has grown over the years. What a treasured legacy of love for all to see, and a special joy to all who were able to be apart of your lives. Keith's humor and smile are what I remember. Living down the road, and then more memories from Ebenezer Youth Group. May all your memories be a special comfort and peace to you now. Prayers, Sharron (Vandenbelt) and Ron Wright*
