“ *"Keith and I have been friends for 20 years. He went thru a divorce and we lost contact the last couple years. I had know idea he was sick and knew nothing of his passing until yesterday. Keith was a good guy, the hardest worker I have ever seen, and he loved his family very much. We spent many hours together fishing, and golfing, going to Michigan games. Its sad to say but he was the only true friend I had. I will miss you Keith..... Go Blue."*
