“*Melissa, I am so sorry to hear about the passing of your dad. You know that we lived not very far from each other and your dad was our paper boy. I think our dog bit him once! We also rode the same school bus even though he went to HCHS and I went to WO. Oh my that was a long time ago...Hold on to those precious memories that you have and share them with your kids. Please know that you and your family are in my thoughts and prayers. Sincerely, Lin Bruursema*”
