“ *"I am so sorry to hear of the passing of Ken. I would visit with him at the Holland Home when visiting my aunt Kassie Koop. He would always show me his paintings and play his guitar and harp for me. He would always tell me not to hurry back because he needed to practice more. I would always just sit and listen and admire all of his talents. He was a very neat man and will be greatly missed by all family and friends. I will be praying for the family in your time of sorrow."*

“ *"We moved nextdoor to him 2 years ago, and my husband and I have adopted him as our Dad. We would check on him to see if he needed anything and he loved it when I would bring him dinner and bake goods. We will miss him dearly and I pray for his family as they greive the Lost of such a special Man."*

“I knew Ken for many years at Bob Evans as well cleaned his house. He was an all around awesome guy! He painted a picture of my husband when he passed that I treasure, it is so lifelike I just adore it. I will never forget Ken.”
