“ Shannon worked for my dad at WZND. I remember Shannon as a very kind person. One personal memory I have is when my dad reconstructed the Rollarena skating rink in Holland. Somehow, I ended up going with Shannon and Jim Camenga to find records for the rink. I just heard about Shannon's passing this week when my dad also passed away. RIP Shannon. - Lisa (Rich) Schley.

“ I remember Shannon when his mother Nancy babysat my children Michelle and Christine Martinez. Prayers for you and your family. He was a sweet kid when I knew him and that was in the 70's. The whole family was so wonderful, loving and caring. So sorry for your loss 💕

“ I remember Uncle Buster coming over to celebrate when my brother and I had birthday parties as kids. I remember him pulling into the driveway in his convertible Mustang and thinking how cool! I remember walking the sidewalks in Zeeland and he would smack a street sign with his hand and pretend that he had run his head into it just to make us kids laugh. I was always excited to see him because I knew fun and endless laughter were in store. He always seemed capable of taking a light-hearted view of things and possessed the gift of turning life's tragedies into comedies. I did not see much of Buster in his last decade, but I cherish the memories that I was fortunate to have experienced in my younger years. Miss you, Uncle Buster.

“ In recent years I'd head to Shannon's apartment armed with two Jimmy John's sandwiches (his was a #14 with peppers) and we'd watch horror movies we'd seen before and had a bunch of laughs. He loved movies, old tv shows and game shows. Miss you Buster.

“ Shannon was all about having fun. Here he gads about with his nephew (Jeff?) and my daughter Laura. Shannon's beloved dog Bambi is in the foreground. I believe the white dog was Nancy's.

I love this Jim. You 2 share many memories together. The white dog was Missy. Mom's crabby dog.
