“Blaine, I was so sorry to hear of Kristi's passing. I have many fond memories of Kristi and our time together working at The Sentinel and our epic trip in 1972 in my brand new red and white 1972 Cutlass Supreme (which I still have). We visited you (at Fort Polk?), and New Orleans and then on to Explo '72 in Dallas. It was quite the adventure! Kristi was one of my best friends back when we were in our early 20s and we did so much together. I'm so glad I got to talk to her at our 50th class reunion. She was still so sweet and just as I remembered her. Praying that God surrounds you with peace and comfort during this very sad time. Cherish your memories and cherish the beautiful family reunion that awaits you in heaven.”

“It was always such a pleasure to be with Kristi Jo. She was full of joy and laughter. Her enthusiasm for adventure and her creative activities enriched her. As the recipient of her knitted socks, worn nightly through the cold months, it was easy to keep her in my heart. She was a kind and generous woman. It is sad to have her leave this earthly life, but there is comfort in knowing she is received into the heavenly kingdom. May your memories be held dear, Blaine and Lana, as the days pass on without her.”

“Blaine and Lana, My heart is broken for the loss of Krisitijo. She holds a special place in my heart. We shared pregnancy class when you and Emily were born Lana and God blessed us with years of friendship following that. I know God put us together at that time so Dan and I and you and Kristi could enjoy all those years together as couples. I love her. I will so miss her beautiful smile and heart. I am so thankful for her faith and her creative gifts of talent and friendship that blessed me for years. My heart goes out to both of you. May God cover you with His presence and comfort. We love you.”
