

Kurt VanGenderen

August 20, 1941 - April 15, 2018

Kurt VanGenderen, age 76, of Holland, died suddenly from cardiac arrest on April 15, 2018 while spending the night in Williamsburg, KY, as he and his wife Beverly were traveling to Michigan from wintering in Florida. He was born in Denver, Colorado and loved to ski but truly appreciated the values and lifestyle of living in the Midwest after residing in Holland for almost 50 years. Kurt graduated from Hope College in 1963 and Tuck Business School at Dartmouth in 1965. He began his career in investments in Hartford, CT, before joining the development staff at Hope College. He subsequently continued development work at Camp Geneva and started his own investment firm, Branch Capital Management, from which he retired in 2015. He is survived by his wife of 54 years, Bev; his children and their spouses, Gail and Bryan Harries, Mark and Laura VanGenderen, Joanne and Jack Joliat; as well as eight grandchildren, Owen and Adam Harries, Aaron, Ethan, Catherine and Mei Lin VanGenderen, Elliott and Charlotte Joliat. He is also survived by three brothers, Larry, Warren and Scott; sister, Sue Watson; and sister-in-law, Anita Joeckel; as well as cousins, nieces and nephews. Kurt had determination and drive which coupled with his good humor, his sense of adventure and fun, his unfailing optimism, his immediate rapport with anyone he met, his lack of pretensions, his creativity, and especially his faith in the saving grace of Jesus Christ and love for his family, enabled him to live every day of his 76 years to the fullest. A memorial service is scheduled for 2:00pm Sunday, April 22, at Pillar Church, 57 E 10th St., Holland, with Rev. Timothy Brown and Rev.

Andres Fierro officiating. In lieu of flowers, please consider a donation to Branch Scholarship Fund at Hope College. Arrangements are by Langeland-Sterenbergs Funeral Home and condolences may be left online at www.langelandsterenberg.com. "I am the vine and you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing."

“Dear Bev and family, I wish to extend my deep condolence to you all. The depth of our grief is a reflection of how important Kurt was to so many. He was my best Hope College friend. We played football together, pledged the same fraternity, shared an apartment for several years, and double dated. I was also honored to be his best man. Needless to say he will be missed. It is perhaps fitting that the last time we were together we were able to cheer the Flying Dutch football team to victory last Fall. You are in my prayers.”

“We have so many memories of Kurt with his coffee mug in hand, stopping over nearly daily to catch-up on today's news (for 28+ years) ! Neighbor, friend, counselor, storyteller (only true ones), comedian and confidant are just a few words that capture, in part, our deep friendship with Kurt and family. Our hearts are heavy for you, Van Genderen family. Our prayers and thoughts are with you. Love, Scott, Heather, Anna, Ethan and Jane Wolterink”
