

Kurt Williams

June 6, 1956 - September 29, 2019

Kurt Williams, age 63, passed away on Sunday September 29, 2019. Kurt had a larger than life personality and could make the darkest room laugh uncontrollably. He was a master storyteller and most importantly, he had a heart as big as his presence. He was loved by so many and our world feels smaller without him. Kurt was preceded in death by his parents, Forest and Rose Williams. He is survived by daughter, Emily Williams (Jeff Doozan); son, Cory Williams (Sasha Condet; children, Nolan and Logan Condet); ex-wife, Judiye Berkan-Williams; partner, Mona DiGrandi; sister, Janice (James) Balcon; sister, Denise Horner; brother, Dennis (Janet) Williams; brother, Jeff (Julanne) Williams; and many cousins, nephews, and nieces. A time of visitation with the family is 1:00-3:00 pm on Saturday, October 5, 2019 at Langeland Sterenberg Funeral Home, 315 E. 16th St. Holland, MI 49423. A celebration of life will be from 4:00-8:00 pm with a service and scattering of ashes from 4-5:30 pm and an informal sharing of Kurt's memory will be from 5:30-8:00 pm at the Yacht Basin, 1866 Ottawa Beach Rd. Holland, MI 49424. In lieu of flowers, the family would encourage memorial contributions be made to a charity of one's choice in Kurt's honor.

“*Kurt never allowed life to get in the way of living. He was a man of comfort, a man of joy. I will miss our regular get togethers at Panera. He loved talking about his relationships and the things that he enjoyed. His outlook on challenges was courageous. He impressed me in his appreciation for his co-workers, his employers, his customers and just about everybody involved in his life. His many expressions of love and the pride he had in his children was a constant encouragement. I will miss a friend. Thanks, Kurt, for making my life a brighter one. My prayers go out for the ones you have left behind.*

“Kurt will surely be missed! He was definitely a kind and easy-going individual in all my interactions with him (despite how tough a meeting was, he was still the calm in the storm). He had a gift for gab, and I enjoyed hearing his stories! (I can still hear his laugh along with Brian Grigsby when they would tell their stories!...puts a smile on my face as I type). My thoughts and prayers go out to his family, friends and colleagues.”

“I met Kurt 18 years ago when I landed my first job in the electronics industry. He always made me smile even if having a bad day. We grew to be good friends and I always knew I could call him when I needed a pick me up. One of my favorite memories was him joining my parents and me for a tailgate at a Michigan football game. We usually exchanged texts during each game giving our opinions - good and bad. I will miss you Kurt. My sincere condolences to your entire family and all of your friends. He had so many!”

“I was truly saddened to learn of Kurt's passing. I have worked with him for most of my 12-years with Panasonic. We enjoyed a lot of success together but also managed to have some good times. I was impressed by his intelligence and wide range of interests, including his boat, his guitar, and beloved Michigan Wolverines. My condolences to his family and friends. Bob Poteracki”

“Sending sympathies to you all from several of us here at JCI/Yanfeng. Kurt has been coming to our building for many, many years. He always had a friendly hello followed by some silly story that always brought us to bouts of laughter! I used to work at the front reception desk and Kurt would always take time when he came in to chat with me and tell me stories of his family, followed by some silly crack which left me in laughter. A story he told me once that I never forgot was, that some day he wanted to retire and move to the tropics and have a pet goat! Just a silly little story he would tell me I hope he is relaxing now in heaven - maybe even with a goat at his side :) You will be missed Kurt.”
