“ *"I will always cherish the memories of growing up next to Crestview Golf Course. Lefty and his family were always very good to me. Sneaking me a piece of that wonderful barbequed chicken of the grill or Delores Home made pie at the golf course, diving for golf balls, or working tournaments to mention a few. Correcting my swing if he happen to be hanging out in his back yard. You will be missed."*

“ *"When I was a teenager, Lefty gave me and a friend a summer membership for \$20 each. I don't think anyone has ever had as much fun for \$20. He also gave me a trophy for a hole in one on a practice shot. He said it still counted as a hole in one. He was such a generous and truly nice guy. I am so sorry for your loss."*
