“*Lamont was one of the first people I met when I began working at Christ Memorial Church. He was on the committee that hired me there. We became good friends and I always felt like Lamont was a sincere and loving individual. I got to know he and Ruth better as a choir members. I remember when I moved to Kalamazoo in 1987, that he and Ruth wanted to take the train to Chicago from Kalamazoo and wondered if they could leave their car with me. Of course, that was no problem. When they returned a couple of days later, I had the washed, vacuumed, and looking like a brand new penny. We laughed about that many times after that. May he rest in peace and rise in glory.*”

“Dear Ruth and Family, My love to you in the death of Lamont. He was the Dean of Students when I took my Residence Hall position at Dykstra Hall. He was such a support to me and became a friend as we all lived on campus and ate our meals together as a R.D. Family. Our time at Warm Friend together was short but good. Blessings and Hugs from Northern Minnesota”

“I would not have my wonderful teaching job in Hamilton, that I got when I graduated from Hope, if it were not for Dr. Dirkse. I was also lucky enough to have his granddaughter in my student teaching class. Blessings to the entire family. What a terrific man!”
