“ My name is Greg Berghorst. My condolences to the Gueder family. I got to know and work with Larry when I was a police cadet at HPD 1979-1980 and then again 1986-1989 as a HPD officer. Larry always had such a caring heart and always a prankster. We had some great times. I'm sorry that I did not get a chance to meet his family. In 1990 I moved to AZ to and now live in CO. Today Chuck Brooks who also worked with at HPD called me to inform me of his passing and to view his memorial online. How beautiful! What a beautiful family. God has surely blessed you. It is great to know that we believers of Jesus Christ will be together again some day and be reunited with Larry. You are in my prayers. Blessings!

“ *Larry was a great example of an officer for the HPD, always kind and caring. He helped take care of many issues with college students back in the 89's & 90's. RIP Larry you are whole again and walking the streets of heaven now.*

“ *Larry and Dawn up to take care of our daughter Sara, when she was little when I went back to work, so I've known him for over 40 years. Sad for the family and friends and their loss but I know that Larry is no longer struggling. I pray that brings comfort and peace to all of you remembering all the good times you shared.
