“I can't begin to say how very sorry I am to hear of Larry's passing. My heart goes out to all of his family and loved ones. I had the pleasure of working with him for many years at Elhart, and he always had a smile on his face and a kind word for everyone. Even after Larry stopped working at Elhart, he would stop by with his dog Callie just to say hi; I will truly miss my friend Larry. May God bless and comfort Larry's family and friends in this very difficult time of need.”

“Over the past few years, I ran into my cousin Larry frequently, both in downtown Holland where he could often be found early in the morning at JP's working a crossword puzzle or sharing coffee and conversation with anyone who wanted company, and at Elhart, where my work took me a few times a week. He always asked about my family and kept up to date on our shared relatives, always had a smile and an encouraging word, and in my experience always put others ahead of himself. I am saddened that we will not meet again this side of Glory, but I rejoice that he is now with the Lord.”
