“*Uncle Larry, even though miles separated us, you always felt close to my heart. Every time I saw you, I was struck by how much you reminded me of Grandpa. I remember running my hand over your crew cut, just like I used to do with him. That simple moment always meant more than you probably knew. Rest easy in the arms of Jesus, and say hello to Grandpa for me. ❤️*

“ Larry, who I affectionately called Pops, always had a smile that could light up a room, and his eyes shined right along with it. Through my dear friend Tonya, I was blessed to witness what a truly loving and devoted father he was. He left a lasting impression on everyone who knew him, and he will be deeply missed. May he rest peacefully with the Lord.

“ Many of my favorite memories of him revolve around food. Sharing food was his love language. He invited us to dinner all the time. I'm so grateful for every time I was able to say yes.

“ Grandpa was a prankster for real, always trying to break a serious face! But I also remember a work ethic that he worked sun up til sun down. Man hustled

“ I have so many great memories of sharing our time together whether it was dumpster diving, fixing and selling cars, cement work, sharing the love of baseball and NASCAR. Most of my life was spent sharing special moments with my best friend. He loved the Lord with all his heart. He made me a better man. My heart hurts so much but I know he is sharing his time with Jesus now and that brings me peace. I love him so very much and I will miss him.

“ One time when Grandma Pat and Grandpa Larry were Connie, Paige and I we were all in the living room just hanging out and I turned my Xbox on to show Grandpa Larry the new Nascar game that I had and I don't think realized at the time that I turned the game on because he saw the cars on the screen and said he didn't think that they were racing today. I told him it was my video game and he couldn't get over how real they looked. He will be greatly missed
