“Lolly was a dear friend and fellow teacher who I loved seeing at Lakewood where we worked side by side. There were some teachers who created the best environments for their students and she was one such teacher. I could depend on her class to always be prepared and well behaved. It was the same year after year. She was kind and soft spoken, never harsh with students. She was so motivating because she was motivated herself. She was funny and had a wonderful sense of humor. How fortunate were the kids who had her and how fortunate I was to have known and loved her.”

“Lolly was my son's and niece's 1st grade teacher, and one of their favorites! They are 33 now. So surprised to hear of her passing; my sister and I just saw her and spoke at length with her at Art in the Park in August. So sorry for your loss; you have my deepest sympathy.”

“*"Harve and family-
I babysat for Kay in the late 60's - I lived across the back yard from you (I was at 243 W. 21st) and Laura gave me my first job! I would come over while she went grocery shopping on, I think, Wednesday afternoons. I also spent one or two New Year's Eve evenings at your house, and she always had something yummy for me to eat while you were out. I remember Kay's middle name is Ellen, and your dog was Faylene - a little white poodle ? You would drive me home each time I sat at your house ... I am married and live in Lexington, Kentucky now ... was looking up another obituary when I saw Laura's. I pray that you will find peace and hope in our future in Heaven.*

“*"Dear Jeff and Lori, I'm so sorry to hear about your mother's death. I'm sure there will be quite a hole with her presence missing at family gatherings. Jeff, according to Lori, I hear you were very blessed with a God-fearing, kind-hearted, wise mother who gave richly to her family and her community. What a treasure! May God give you all--especially your dad--strength and comfort to work through the grief in the long days and nights ahead."*
