“ Lee waited for the redemption of our Lord Jesus Christ. He spoke of his father interceding for his family, trusting that one day Lee's siblings would believe and obey the Lord in Spirit and in Truth. Lee spoke of his intercession for his family, children and grandchildren. He would swell with tears as he shared the hope of being eternally present with his loved ones, (his family passed on and his children yet being born).

*I affirm that Lee Roy Ellis loved God with all his heart, lived with a passion for truth, and interceded with a hope of eternity.*

*The body of Christ will miss his wisdom, his laughter, and his commitment to the family at home and at church.*

*Soon, we shall be together again, forever with the Lord. The God of Hope has promised.*
