“ *My sympathies to the family of Lee Bollinger. I had the pleasure of meeting with Lee through Lakeshore Senior care. We spent many evenings playing card as she was eager to teach me a new card game. I will always remember her infectious smile and the fun conversations we had. It is no small thing to lose a mother, no matter the age. I hope that the memories of your dear mom will help ease you through the coming days ahead as you journey on without her. It was certainly a privilege to have known her for so short a time. Sincerely Ginger Vork*

“ *From Elmond, Jim & Pearl, & Raymond & Sally*

We were driving to Florida when we received the news o Lenora's home going.

It brought to mind days of visits of her and Betty to Grandma McNees and the

desire for certain food to be prepared. Then pictures we are privileged to

have because of Lee's generosity to loan them to us to make copies. For Raymond and me (Sally) the lovely luncheons she prepared for us on our very

short visits.

Thoughts and prayers from all of us.
