“Thoughts of peace and comfort for Lee's family. My wonderful memories of Lee was when he and Chuck Johnson rode their bikes to Washington State to meet me and present me with a flag honoring my son. They spent one night and headed back to Michigan. My grandson got a chance to sit on Lee's bike and loved it. Thank you Lee and Rest In Peace.”

“I am so sorry for this great loss, as my brother in law I appreciated his love of my family and his special kindness to Merrilee through out her life. He was a special person who came off gruff but loved deeply and had a kind heart.”
