“ *The best memories rollerskating around in Florida and going to Disney! My 16year old self tagging along with Grampa on one of his jobs and spraining my ankle, he actually carried me back to the truck! My first horse riding experience and fell off and my first motorcycle ride! He was always there when I needed him and always had the best laugh and a smile on his face 🤍 he will always be spunky and full of life in my memories*
