“ I first met Linda in grade school (Emerson School in Owosso). We became fast friends almost immediately and remained friends throughout high school and the rest of our lives. She was a very special person and I loved her dearly. My heart is heavy with this loss. Marlene Dalglish Williamson

“ Dear Bob, Ann, Jim, and family, All that were privileged to be a part of Linda's life knew a beautiful, kind, and loving person! Learning of her passing brought an ocean of many, many memories. As what happens so often in all our lives, changes throughout the years like moving away from the neighborhood, caring for kids, taking on different responsibilities in this life, we didn't see as much of each other as in the earlier days. However, when we did run into each other, it was like time stood still. Linda's friendship and love throughout the decades has been wonderful. Our prayers for comfort, peace in your hearts, and strength are offered. Love and caring, Kelly and Ray Knoll
