“ *I have tried to write this so many times. I am so glad we got to raise our children together. Dave, Alisha and Lindsay you know my heart breaks for you. Lynn asked that I continue to pray for her family on her behalf once she was gone. I consider that to be an honor.*

“ I am so very sad to read about Linda's passing. I may have moved away and I didn't see you any more, but I have a place in my heart that is empty now.

Dave, Alisha and Michael and Lindsey and Mitchel. I am so sorry for your great loss. Your Mom was so much fun.

Keep up the tradition of living a life for Christ and having fun.

“ To Dave, Alicia, Lindsey and the rest of the family, we are so very saddened at the loss of Lynn. Our heart grieves for the pain you all are feeling. Even though we only knew Lynn and Dave for a short 8 years, it seems like we have known them much, much longer. We quickly discovered that they are very kind souls. Lynn had such a zest for life, and made every camping trip we took together a joy. Her constant happiness and pleasing personality were infectious. We enjoyed every second we spent together, their friendship, and their love of God. Even though we are all grieving, and miss her dearly, our loss is Heavens' gain. We know she is in Heaven, fully restored and enjoying all that God has promised.

“ To Lynn's husband, daughters, grandchildren, sister and extended family. I “met” Lynn through my husband Ernie (Waldin) and my sister-n-law Shirl Fulmer. Lynn is one of a very few that even though we did not meet in person she was a wonderful friend! I enjoyed her posts and her love for her family was amazing. I will miss her, for sure. But, I am so grateful for the Blessed Hope that is ours through Christ Jesus. Praying the the Peace that surpasses our understanding will be with you in the coming days ahead. Love,
