“Lois and Marv were part of the greatest generation. In older adult life, Marv were the eyes for Lois, and Lois was the hearing and getting around for Marv. They were faithful to their family, church, each other, and to God. As they sometimes say, "They don't make them like that anymore." It was a a joy to walk alongside of Marv and Lois in their older adult years; the coronavirus pandemic made it even more difficult as a pastor. Lois manifested the fruits of the spirit in Galatians 5. Blessings to you as a family. Kent Fry, RCA retired pastor formerly serving Third Church
