“ I am so sorry for your loss in your mom's passing. She was a special and kind lady. I will continue to keep all of you in my thoughts and prayers.

I just want to share a memory I hope I never forget. I remember us Hertz kids going to your home in the winter when we were all young and our dad's pulling us behind the cars on tubes and sleds on the wintery road. Something kids don't do now and for good reason but we sure had a great time. I'm pretty sure our moms were in the kitchen making supper for the gang. Great memories with our families. Hold on to all your memories and God bless each of you in this hard time. With love, Linda.

Thank you so much, Linda... Brings tears to my eyes that beautiful memory! We had an amazing time growing up together! Definitely don't do tubes and toboggans behind cars anymore! I remember going to your house and sledding at the Christian school Hill behind there. So fun and we love the Hertz family so much!! ❤️

“Lois was beautiful both inside and out! She always had a smile on her face! She lived for Jesus, & her family! We remember both her and Bob going to all of their children & grandchildren’s sports & events! She dearly loved her family! This was such a shock hearing of her passing. She always seemed like she was in the best of health. I haven’t seen her in awhile, but we’d comment on Facebook back and forth! Lois you will be dearly missed! We will keep you all in our thoughts & prayers with the loss of your beautiful mom & grandmother. Big Hugs and prayers to you all❤️🙏 Love, Vicky & Verl Bleeker & Family❤️

“ Lois and I were friends since probably the late ,50's. We also were Red Hat Ladies for many years and had so much fun. Elemeda Street was home to the both of us for years. I feel so blessed to have just seen her at Jim and Vonn Boeve's anniversary party. She looked so great and I feel so lucky for the memory. Karen

*Lois went to Grace { intersection ministries } for years and she and her husband were our janitors, I took over her job when she left. We went to Alaska with them several years ago and had so much fun. we used to visit with her and Al VanderPloeg before he passed. I consider Lois a good friend and we will miss her. I just had lunch with her a month ago and I can't believe she is gone. We are praying for her family' Ken and Deb Dykema*
