

Lori L. Leppink

May 23, 1962 - September 15, 2024

Lori L. Leppink, age 62, of Holland, unexpectedly went to be with her Lord and Savior Sunday, September 15th, 2024.

Lori was preceded in death by her parents, Marvin and Beatrice Keen, and brother, Mike Keen.

She was a graduate of Holland Christian High School and worked as the Practice Manager for the General Surgery Group of Lakeshore Health Partners for over 35 years.

Lori loved her Lord and was a prayer warrior for family and friends. She was a giver and planner to her loved ones and those she worked with. People knew Lori by her lists and notes of preparation. Preparing food was her love language to her family and those in need. Cooking was her therapy and she loved recipe books and experimenting with new ones. Lori loved reading and would quickly read many books throughout the year. She loved her birds and many varieties of them loved her too. Lori loved the Hallmark Christmas movie season as they were constantly being played throughout the home during that time of year. Her happy places outside of home were the family cottage, Longboat Key, Florida, and whatever location her kids were living.

Lori is survived by her husband of 41 years, Steven J. Leppink

“ It was in the year 2003 when Lori and Steven poured out their lives for me so that i stay in school. They sponsored me until i graduated in 2017. i remember the lovely letters they sent and the birthday and gift annualy..

This family made me to desire to sponsor a kid one day. and im doing it. Lori and Steve inspired me to marry so that i could also have a family that love God like their's. and i did.

Lori and Steve became part of my sucess story. i can confidently speak that you two changed a life and thats me..

I truly honor you Steve for being an available husband and dad.

We stand with you in prayer and i know God is helping you and your family in these trying times...

this is the scripture that came to me;

37 Yet in all these things we are more than conquerors through Him who loved us. 38 For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, 39 nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.

I and my wife Cathy, we love you.

“ Lori was the first employee of Lakeshore surgical associates and was still employed as a practice manager 36 years later at the time of her passing. She embodied the value of putting patients first and was equally loved and appreciated by her colleagues. Lori often talked fondly of her family, and I join many others in thinking and praying for them at this time.

“ I knew Lori from work, and thought highly of her as a leader and a human. Lori was unfailingly steady, thoughtful, and generous and, as a manager of a busy medical practice, created an environment that was simultaneously professional and respectful - she "grew" a team with very little turnover and a team exceling in the excellence of care toward patients and as kind and cooperative group in all of their interactions at our specialty medical building. This speaks volumes about Lori. It is memorable that Lori always ALWAYS had a variety of candy on hand for staff: "You don't have to ask" before you came into her office to get your chocolate fix. Her passing is a significant loss to work as well as to the community, and my heartfelt sympathy goes out to her husband, children, family, friends, and co-workers who knew her better and longer than I did.
