“ I will always remember watching the Saturday Tulip Time parade with the family on VanRaalte Ave. I first remember watching it from Grandma Jo and Grandpa Claude's front yard. After they moved into a condo, we moved "our spot" across the street, in front of the Elementary School. Aunt Louise and Grandma Jo always loved the marching bands...Julie Duimstra

“ First of all we are so sorry we will not be able to be at the funeral due to going on vacation with our kids for spring break.

My Aunt Louise was the sweetest person. I remember going to her house to get my hair straightened out after I did a hack job on it. She would sit me in a lawn chair and fix it up. Russ and I would go to Uncle Nel and Aunt Louise's house after church at Faith for coffee and goodies. Maybe you remember the Bar B Que hot dogs your mom used to make. Well I still make the sauce and my family loves it on chicken and hot dogs too. She is the last of the three sisters Alyda, Jo, and now Louise. She will be missed. What a blessing to know she is in heaven.
