“ *"To the family of Louise Rowan, I know you know what a treasure your mother, grandmother was. I do too. Forty-six years ago five of our children attended Griffin School. As she was with each child who came through her library door, our children were treated with respect always as they checked out their books or inquired about a book they could not find. She was always a credit to herself, the school she served, the community she served with her always warm smile. Thank you Mrs. Rowan, Patricia Timmerman"*
