“ *"Frank and Charlotte, Gary and Allen...So sorry to hear of LuAnn's passing. I have fond memories of vacationing with your family and her along with all of us. I was unable to bring Mother to the visitation because we were out of town and she no longer can drive. Please know that our sympathies are with all of you. “LuAnn always had a smile, and usually had a snake. She was a joy to know. I would kid my husband that I wished I could make someone as happy as he did just by saying hi to her. We miss her, and extend our sympathy to you, her family. Take comfort knowing that her body and mind are made perfect now by God's love. We will be out of town and unable to attend the services.”
