“ *"Lucy was such a blessing and a wonderful friend to my grandparents these past years that they were neighbors. She lit up the room with her energy, sense of humor, and warmth and taught me a lot about being thankful for God's blessings and finding joy in everything. She will be greatly missed!"*

“ *"Lucy was a wonderful woman. I remember when she received the outstanding employee award and we went to an Emerging Women in Management Seminar together in San Francisco (pretty progressive for that time). She was a smart and delightful person. Thoughts and prayers are with your family. Vickie Peterson"*

“ *"I loved Lucy! She was smart and tough and a pleasure to be with. She always had a book going and was ready to talk about it. I loved her open, tolerant ways and appreciated how interested she was in other people's lives. She knew who she was: a Christian, a smart worker bee, a mom who raised her kids with integrity. What a good legacy she has left her kids and grandkids!"*

“I met Lucille as a client of ours..but we became friends, I so looked forward to seeing her every tax season & will miss chit chatting with her. I told her that she was a model for what I wanted to be like & she would chuckle & brush it off :) Just a great great woman of God. Thinking of and praying for her family.”
