“ *"My friendship with Luella goes back several years when we attended Coopersville High School. We did not keep in close touch ,but I was always happy to see/greet her when we visited Freedom Village. Our last brief visit was in May when we shared memories. My sympathy to her children & extended family."*

“ *"To Betsy and siblings, We fondly remember your mom and dad. Such gracious people and loved by all. Rev. Mulder was the reason we joined Christ Memorial Church over fifty years ago and your mom was a loyal choir member. We always said that she was our favorite "first lady" of the church. May God bless you all as you fondly remember Mom and rejoice that your parents are now united in Heaven. God Bless."*
