“ *Zeeland has been fortunate to have a favorite gathering spot (Frank's) for generations. But the heart of Frank's has always been the Dionise Family. As our family grew, Pat, Lynn, and Shane always made a spot for our five sons in the front window booth. And they often took the time to check in with us—and to encourage us. What an absolute blessing. Praying for Shane and the rest of the family/team. You have all been a source of encouragement in our lives.*

“ *My dear friend. I will miss you so much. My earliest memory is of you being my swim teacher and teaching me to go under water. Then watching you be crowned homecoming queen. Years later we bonded over your mother, James Taylor and The Eagles in the car, infusions, going out for lunch and many many more little adventures. Now I envision your big family reunion up there and your beautiful smile. RIP friend. Love you.*
