“ *"Dear cousins and families, Your mom, our dear aunt will be remembered with love. Her smile was always on her face and it was a sincere smile. Her love was evident because she asked how we were and how our family was. Others were first in her life. She loved you all so much as you well know, and we thank God with you for your having her as such a special mom and grandma. We will not be with you in person these next few days, but we will be thinking of and praying for all of you to find comfort and peace as you go through the visitation and funeral service. Much love to all of you. Al and Carol"*
