“ So sorry for your loss. I had the privilege of working with Marge at Haworth. She was a very kind and likable person. She really loved her family by the way she talked about them. She never had nothing bad to say about anybody. She will be missed.

“ Marge was always so nice to me ,I got the privilege of seeing her 2-3 times a week as she came to pick up her daughter Melissa to go run errands or just coming over to drop off goodies she baked or stuff that her and Pete would not eat or finish so not to go to waste she knew I would eat it. I will miss her as will Melissa who Marge called every morning. GOD BLESS HER.

Mrs. Jimmerson, was such a beautiful lady inside and out beautiful spirit. Giving always sacrificing herself for others. She loved all her children and grandchildren to the moon and back. My deepest condolence is to the family she will be greatly missed. She came every year to get their taxes done. We will never know why the good Lord took her on home unexpectedly. One thing for sure is that she's in the loving arms and care of Our Great God. We will miss you!!! 😭❤️

Mrs. Jimmerson...a wonderful, kind woman, whom I considered such an intricate, vital part of the Castro family. So very kind and generous, was she. She will always be remembered, as such and sorely missed, at the same time, as it leaves a gaping hole, in the lives, that she touched, as she walked this earth, before walking on, to her place, in heaven.
