“*Marge was a very special, and kind person. I worked with her at the greenhouse, she gave advice as to what to do with the plants but also advice about raising a family. She always had good advice. After my retirement we would get together once a month for breakfast at Rainbow grill. I enjoyed my time with her. My deepest sympathy to the family, she will be missed by many. Marcia Vrugink*”

“*Dear Koetje Family, Of course, we expected this news after she was place in Hospice care. However, death is always too soon of someone whom we love so much. Obviously, we will not be able to attend the funeral, because of Betty's health condition. Her heart condition was God's way of Providentially keeping us in Michigan for many weeks to be able to see so many relatives, including your family. I have several photos that I will try to add to a text that I will send to Kathy. We are so thankful for that special time of traveling and living with your mother. Many good times were blest by her close walk with the Lord, as well as her genuine laugh. We talked about heaven often with her. We felt the "Zeel of Zeeland" that is posted on all the of the City's street banners on the lampposts. You had a video sent to us of your dad's funeral, and we trust that the same thing can be done of your Mom's funeral. This photo is SO HER!! We extend our sympathy and SHALOM to each one of you. Embrace the faith with which you were taught and which was exemplified in your home and community. We claim the promises of our Firm Foundation: "I'll strengthen thee, help thee, and cause thee to stand; upheld by My righteous omnipotent hand." - How Firm a Foundation Hymn. (II Timothy 4:17) Sending our love, prayers and hugs from miles away. Lots of folks here and friends around the country are praying for your comfort also. ... Uncle George & Aunt Betty"*
