“ *"Dear Johnson Family, When Margo and I were elementary age girls we were best friends and playmates. Both my husband and I graduated from Holland High School with Margo. She will be missed by all of you and does bring back many memories of years past for us."*

“ *"Dear Doug and family, Like you, we were praying for a cure for Margo. And also, like you, our hearts were gladdened to know that Margo remained alert and strong throughout her last days. Although we know she's reunited with David and in the presence of the Lord she loved, we will still miss her effervescent presence here on earth. She had a smile that never quit.....words of caring and encouragement for anyone in need.....and a zest for life that could light up a room. She was an amazing woman and she will be missed. We will be praying for you during these next days and months (years?) as you adjust to life without her. With sympathy and friendship, Frank and Gloria"*
