“ *"I am so sorry to hear of Marie's passing, She was such a caring person. I also live in Diamond Springs, I went to school with Jane and Don. We use to go trick or treating to their house, Herbert would always have to have us come in so he could see our costumes, and then when I had kids he would have to guess what they were too. A lot of good memories. But Jane you and your family have my deepest sympathy"* ”
