“ My heart and thoughts are with you Lynn during this time.

Mariusz's love and commitment to you are a testament to the depth of his character.

I will always remember him as having a sincere heart and being a true friend. His gift for diplomacy, in almost any situation, was certainly unique and I smile at the thought of how he navigated any situation.

He made us laugh, he offered an ear, and he was resolute in his loyalty.

May the memories provide comfort during this difficult time.

“ *Mariusz was my dearest friend for over 40 years.*

He was highly intelligent (Who's Who in America" while we were at Bishop Hendricken High School, Class of 1984). Mariusz got along with everyone no matter their station in life or point of view. He always found common ground and was a voice of reason in turbulent times.

Even when he made a mistake, it always turned out for the best. One time he backed into a colleagues car at work in Rhode Island (moved that car two feet or more). We got out to inspect the damage and met the colleague Greg Tyler back in the 1990's. My wife and I just went to Greg's (Marshall) Tylers wedding in Maryland two years ago. All of us remained friends and in touch over the years.

Mariusz always had a Gift for Gab and would shine in all social settings, whether it was a small family celebration, large wedding, Polish Festival at OLC or at Heavy Metal Concert (Judas Priest, Iron Maiden, etc). He was a miraculous person and could move mountains and rocks (Such as talking several concert goers at an India Point Rock Concert to move boulders so we could get the Trans Am out of the parking lot).

Mariusz was also a sportsmen too, we played tennis for hours, threw the pigskin and the baseball. He also was pretty decent at lighting fires at the Canadian campground (Gas optional).

But most of all, he was a family man.

He was married to his high school sweetheart Lynn for over 30

years. Dedicated and honest as the day is long.

Mariusz came from a great family, The Koziol Family. Adam, Teresa, Janusz and Rob. They took me in as their own and changed my life tremendously. I am deeply honored to call them family to this day.

Mariusz will be missed everyday in my life and in all the lives he has touched over the years. May God Bless and Hold him in his Kingdom forever.

*Till we meet again, my friend & brother.
