“ *Our sympathy to your family. We are Mark's back door neighbors, directly back. We remember Mark as a friendly guy, always agreeable as a neighbor. We did not see him very much, and consequently, did not talk to him very much. We mostly remember seeing him late at night, working by his table in dim light, by what we assumed was his computer. He definitely preferred being alone. If we ever had to talk to him about a "neighbor thing," such as a tree or fence, he would always be welcoming about any request. We will miss seeing him by his window, and are sorry to hear he is gone. If the family needs help with anything, please do not hesitate to contact us. Very Sincerely, Jim & Nancy Mulder*

“ I knew Mark in Holland high and he was a very nice guy. Ran into him about 20 years later & he hadn't changed at all. He was still the very nice guy. Sorry to see this notice about him though I believe he's in a better place.
