Marlene will be greatly missed! She has watched me grow up and we began to get close over the years. She really enjoyed when i brought over baked goods. And she def had a lot of love for children. She was an amazing neighbor and friend to my grandma and her children for 56 years ☐ I am going to miss popping over to see her!

For the family of Marlene, you already know that your mother was really special and loved. She was a member of a group of friends (Biddies) at Donnelly and we had wonderful Christmas parties over more than 30 years. Once Marlene and I went horseback riding in the Allegan woods. Spending time with her was always a pleasure. She had a wonderful sense of humor and gave freely of herself. She was a special friend in my life. I am really going to miss her as will everyone who knew her. I am so very sorry for your loss.
