“Marnie's family....how I remember Marnie as an elementary student of mine at Guardian Lutheran in Dearborn. What a fun girl to have in class! What a joyful family! How my heart pains for you all at your loss! What a joy to see so many former classmates sharing great pictures and fine memories! Reading the tributes of some of Marnie's former students fills me with much joy in the midst of the sorrow. I pray that the family will find peace in recognizing a short life well-lived....peace in the Lord Jesus in Whose arms Marnie now safely lives. With much love, Bob Dickhudt, Doris and Janet”

“I am so saddened by the loss of Marnie. I met Marnie when she and her family moved in down the street from me in 6th grade and we became fast friends. So many happy times with her, and so many fond memories. My heart goes out to her family and I pray that you will all find the strength to cope during this difficult time. She was one of a kind and will be missed by so many.”

“I was very sad to hear of Marnie's passing. I was a classmate of her's at Guardian Lutheran and have many great memories of her. I was blown away with all of the amazing messages I have seen from her students and what a great influence and impact she made in their lives. I hope her family can take some comfort and be proud of the fact she has touched so many in such a short time. Her legacy and memory will live on through her family and students and all those that knew her. Rest in Peace...”
