“ *"This is especially for Dan. I don't know if you remember me from HCHS or not. I took organ lessons from your mother and dearly loved her. Your father was married to a high school friend of my sister. Small world. My step mom is at Royal Park and I have spoken to Judy and your father , but didn't realize until he passed that he was your father. We will be lifting your whole family up in prayer. Our parents are mostly all passed on and awaiting us in heaven...the next generation. In Christian love , Nancy Ten Harmsel Cook ❤️"*

“*"Muff gave me my first "real" job working at the egg company. But he and his wife were such a blessing and support to me during my high school years - praying with me, encouraging me and just being there. I spent a lot of time in their home and Beth was my bestie! I so appreciate the legacy they have left through their family and their stance with God! My condolences to the whole family, but we rejoice that he is HOME!"*

“I am so grateful to have known Marv at Royal Park Place. He had a wonderful sense of humor and his deep faith was evident. I loved how a favorite song of his was "Through It All" - a true testimony to his dependence on his Savior. My deepest sympathies to all of Marv's loved ones. Sincerely, Cindy N, Chaplain”
